Contact 3.0

A hand-drawn wireframe for a login page titled "Contact 3.0". The layout is as follows:

- Header:** A pink box in the top-left corner is labeled "logo" and has a pink 'X' through it. To its right, the text "Home ticket line-up Contact" is written in pink.
- Form Fields:** In the center, the text "Contact" is underlined in blue. Below it, "log in" is also underlined in blue. Further down are three blue-outlined input fields labeled "NAAM", "VOORNAAM", and "emailadres".
- Login Options:** Below the input fields is a blue-outlined button labeled "log in met Fb".
- Registration:** At the bottom of the main content area is an oval button labeled "Registreer".
- Footer:** A horizontal line separates the main content from the footer. On the left, there are three horizontal wavy lines. On the right, there is a rounded rectangle labeled "Zoek" and three small rectangular boxes with 'X' marks inside, labeled "sponsors".
